Per person: laureates per 10 million people

לפי גודל: זוכים לכל 10 מיליון

Rank	Country	Laureates	Per 10M
1	Sweden	34	32.2
2	Switzerland	27	30.0
3	Austria	25	27.2
6	United Kingdom	144	20.8
9	Israel	14	14.0
10	Germany	116	13.9
11	United States	425	12.5
13	France	78	11.4

Rule: every country with 10 or more laureates (22 countries), so tiny countries with 1 or 2 laureates do not distort the list. Population: World Bank 2024.

> **To be fair:** Sweden, Switzerland and Austria lead per person, and their count starts in 1901. Israel's first prize came in 1966.
