# The world's largest Shabbat dinner: the record, and our plan

## ארוחת השבת הגדולה בעולם: השיא, והתוכנית שלנו

You commented SHABBAT, so here is everything behind the reels: who holds the record, the giant tables the world already has, and how we plan to seat 3,000 people on the Tel Aviv beach.

כתבתם שבת, אז הנה כל מה שמאחורי הסרטונים: מי מחזיק בשיא, השולחנות הענקיים שכבר יש בעולם, ואיך אנחנו מתכננים להושיב 3,000 איש על חוף תל אביב.

## The record, year by year

### השיא, שנה אחרי שנה

| When | Where | Diners | Status |
|---|---|---|---|
| 13 June 2014 | Tel Aviv port | 2,226 | First Guinness record |
| 2015 | Berlin, European Maccabi Games | 2,322 | Beat Tel Aviv |
| 21 Nov 2025 | New York, Javits Center | 2,761 | Current record |

Guinness defines it as the greatest number of people to eat during a Shabbat dinner at a single venue. 3,000 diners would beat the current record by 239.

- Ahad Ha'am wrote in 1898: "More than the Jews have kept Shabbat, Shabbat has kept the Jews" (common English translation).

אחד העם, 1898: "יותר משישראל שמרו את השבת, שמרה השבת אותם."
